

COLTON HOUSE

caring for your loved ones

a breath of fresh air

caring for your loved ones

Designed specifically for the care of the elderly mentally ill, Colton House is a beautifully appointed home-from-home for our residents, for whom we care in a very special way.

Our staff members are qualified in nursing but, most importantly, they care and treat your loved ones as their own.

Colton House is a true family home where both care and the environment are of the highest quality.

You can rest assured that we provide as good a life-style as possible, striving to keep our home and the quality service we offer in the forefront of excellence for those for whom we care.

Please read our brochure and see just why Colton House is so special then contact the Manager or Deputy Manager on 01782 773000 or 01782 775050 to arrange a visit.

Seeing is believing.
